

4) Children and Youth Sexual Abuse Prevention Programs (Charter Article: 12)

Child sexual abuse prevention includes empowering children by teaching them body safety rules and steps they can take to ensure their own safety. The Archdiocese of Los Angeles currently offers the following age-appropriate prevention programs for children:

- VIRTUS® Teaching Touching Safety
- Good-Touch/Bad-Touch®
- Outcomes for Safe Environment Curriculum

Parishes/schools can select from the programs listed above. ARCHDIOCESE OF LOS ANGELES POLICIES PROGRAMS RESOURCES

My Brothers and Sisters,

Here in the Archdiocese of Los Angeles, we are working every day to make sure that our children are safe, loved and cared for in our parishes, schools and ministries.

In this past year, the Archdiocese's Office of Safeguard the Children trained 30,514 adults and 166,850 children in the VIRTUS® Child Sexual Abuse Prevention Programs. In addition, the Fingerprinting Department completed background checks on approximately 10,000 new clergy, employees and volunteers.

This brochure will provide you with a quick guide to the safe environment policies, programs and other resources available in the Archdiocese. In addition, you will find contact numbers and hotlines for reporting suspected abuse.

I am also pleased that the *Archdiocesan Administrative Handbook* now includes “**Chapter 9: Safe Environment.**” This comprehensive new resource provides detailed information on everything that we are doing to protect our children and young people. You can access this important resource at the Archdiocesan website <http://handbook.la-archdiocese.org/> or directly at <http://handbook.la-archdiocese.org/chapter-9>.

Let us continue to pray for those who have been hurt by the misconduct of members of the Church. I am grateful for the ongoing outreach, support and healing provided to them through our Office of Victims Assistance Ministry.

I entrust all our children and families to the tender care and protection of our Blessed Mother Mary, Our Lady of Guadalupe and Our Lady of the Angels.

Sincerely Yours in Christ,

+ José H. Gomez

Most Reverend José H. Gomez
Archbishop of Los Angeles

Sexual Abuse of Minors - A Pervasive Social Problem

Child abuse is a frightening social reality. Numerous studies, while not in full agreement, estimate that some 40% of girls and 30% of boys suffer some form of molestation by an adult during their childhood and adolescence, with the majority of child sexual abuse occurring within the setting of an extended family. We as the “People of God” are called to work together to stop all forms of sexual abuse, wherever they occur.

Church Teaching on the Sexual Abuse of Minors

Church teaching condemns the sexual abuse of children and youth as seriously sinful. The *Catechism of the Catholic Church* states: “Connected to incest is any sexual abuse perpetrated by adults on children or adolescents entrusted to their care. The offense is compounded by the scandalous harm done to the physical and moral integrity of the young, who will remain scarred by it all their lives, and the violation of responsibility for their upbringing.” (2389)

Charter for the Protection of Children and Young People

The *Charter for the Protection of Children and Young People* was adopted by the Bishops of the United States in June 2002. This important document contains the *Essential Norms* which are the Church's response to child sexual abuse and the concrete plan to work actively in the prevention of sexual abuse. Key components of the implementation of the *Charter* include:

1) Office of Victims Assistance Ministry Helps Abused Victims Find Healing (Charter Articles: 1, 2, 4, 12, 16)

The Office of Victims Assistance Ministry of the Archdiocese of Los Angeles was created in April 2002 to deal with allegations of past or current sexual abuse by clergy, religious or any lay person working or volunteering for the Archdiocese.

The Office is charged with creating a safe and compassionate environment for victims to come forward, while ensuring that civil authorities are notified and victims are provided with counseling and other assistance in the healing process.

Call Victims Assistance Office (800) 355-2545 to:

- report misconduct by a priest, deacon or other person working or volunteering for the Archdiocese of Los Angeles.
- get information about the Archdiocese's ongoing commitment, programs and resources that focus on outreach to victims/survivors of sexual abuse.
- report abuse suffered in another diocese and to receive assistance in connecting with the appropriate persons in that diocese.

2) Office of Safeguard the Children and the Formation of Safeguard the Children Parish Committees (Charter Article: 2)

The establishment of the Office of Safeguard the Children and formation of Safeguard the Children Parish Committees was mandated by Cardinal Roger Mahony in 2002. The Office of Safeguard the Children assists these permanent Parish Committees in implementing child sexual abuse prevention education, Safe Environment policies, procedures and resources.

3) Child Sexual Abuse Prevention Education for Adults (Charter Article: 12)

VIRTUS® “Protecting God's Children” is a three-hour training for adults which teaches the five basic steps of child sexual abuse prevention. This program is mandated for all adults who work with or around children or youth on a regular basis. Nearly 200,000 clergy, staff, volunteers and parents have attended the program.
